

VILLAGE OF BURNHAM PRESENTS

"Burnham Strong" Motorcade

Join Village of Burnham Elected Officials,
Burnham Police, Burnham Fire Dept., Public
Works, Water Dept. & Burnham School Staff

Saturday, April 25th | 11am onwards |
Begins on the
Corner of 143RD & BURNHAM AVE.
(Cundiff's Parking Lot)

The motorcade will take us through the Village of Burnham, and we encourage everyone to participate from the street side of your homes if the motorcade will be passing your house; however, if the motorcade will not be passing your house, we encourage you to seek alternate safe areas to show your Burnham pride.

It is important to keep in mind that when congregating outside of your house that you maintain the 6ft distance to anyone not from your household, particularly if you choose to use a public area as a viewing location.
